WASC Kelly Walsh Invite
November 15th, 16th, 17th, 2026
Hotel Information (Blocked Rooms)

Sleep Inn Suites in Evansville and Best Western Plus REQUIRE direct booking by telephone. Please see contact information below to contact for booking rooms.

-Board members, and Sponsors:
-We recommend Holiday Inn and the Best Western Plus for yourselves and your schools. These hotels are closest to Highland Park Church where the morning activities take place.

Other Advisors and Schools:
-We advise booking with hotels with the earliest cut-off date as soon as possible. This gives me the ability to see where I can release or request rooms to those specific hotels before the cut-off dates.
-When a hotel is all booked up, I will call and confirm with the hotel that those schools have used the block as needed, release extra rooms, and put BOOKED in replacement of the booking link.

SCHOOLS STAYING IN CASPER: Tax-Exempt Notice!!
-Some hotels have different policies, please confirm these policies to ensure that you have everything to be tax-exempt.
Holiday Inn Express and Suites does require a Photocopy of Tax Exempt Card and ID of advisor.

WE in the Kelly Walsh Student Council are excited to be the host of the 2026 WASC Convention. We are looking forward to seeing you all soon.

Please contact Jolene Whitley if you experience any issues or have any questions regarding hotel booking or other hotel inquiries.
